

Rods & Roses

Attention all philanthropic and community-minded businesses! Are you looking for a way to showcase your brand while giving back to your local community? Look no further than the Rods and Roses Classic Car Show. Not only do we feature the most stunning American classic and muscle cars, but we also raise funds for local non-profit groups, including the Future Farmers of America, Hope Net, CEF, and numerous others.

Thanks to the generous donations of local businesses, community members, and show participants, we have raised thousands of dollars to support these programs since the show began in 1997.

By becoming a sponsor, you'll have the opportunity to showcase your brand to a large audience while also supporting the local community. We offer several sponsorship levels to fit any budget.

Don't miss out on this chance to make a difference in the lives of young people in our community. Review our sponsor levels, choose a giving level, and fill in your information on the back page. Thank you for your support!

JULY 1, 2023
